GSA GEN. REG. NO. 27

UNITED STATES GOVERNMENT

Memorandum

DATE: 3/5/64

TO : FILE (100-10461)

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

About 8:30 AM this date I talked with Assistant Director WILLIAM C. SULLIVAN and pointed out to him that the physical surveillance must of necessity be extremely loose, in order to avoid detection and that I felt that the manpower being utilized on it was not justified, and I recommended that if at all possible, we discontinue the physical surveillance but cover leads based upon our other coverage. He stated that he would send this up today, recommending that the physical be discontinued and we would be advised.
